SUPPLIERS

Eaton/Aeroquip

Industrial Division:
hose, fittings, couplings, swivel joints and tube fittings
Aerospace Division:
hose, fittings and quick couplings
Synflex Division:
SAE thermoplastic hose and tubing
Everflex Division:
Teflon® hose and fittings
Hansen™:
quick disconnect couplings

Alkon Allenair LLC

rotary index tables, air and hydraulic cylinders, valves and pumps

Brasscraft

brass compression, flare, pipe and hose barb fittings

Brennan Industries

American, British & metric adapters, JIC, SAE and compression fittings

Camozzi Pneumatics

push-to-connect nickel plated brass tube fittings, cylinders and valves

Deltrol Fluid Products

flow control, needle, check, quick exhaust and solenoid valves

Dixon Valve & Coupling

barbs, camlock, steam, fire and sanitation fittings and hose, valves and quick couplings

Continental Contitech

industrial hose for construction and agriculture to manufacturing and transportation

Graco

lubrication products and systems

Hose Master

corrugated metal hose, stripwound hose and expansion joints

Kepner Products

check, relief and cartridge valves

Kuriyama

thermoplastic, rubber, metal hose products

Newage Industries

flexible plastic tubing and hose (PVC, silicone, fluoropolymer, thermoplastic rubber, latex, nylon, polypropylene, polyethylene)

Parker Instrumentation/Process Control

CPI™, A-LOK® and instrumentation pipe fittings, valves and regulators

Parker/Schrader Bellows

hydraulic and pneumatic quick disconnects filters, regulators, lubricators, manual, pilot and solenoid valves, cylinders

Parker/SnapTite

hydraulic, pneumatic and aerospace quick disconnects, check and solenoid valves

ReelCraft

hose reels, cord reels and cable reels

SpillTech

sorbent and containment products for the industrial, marine and automotive industries

Stainless Hose Fittings

stainless fittings and adapters

Suttner

pressure washer components and accessories

HBD/Thermoid

industrial hose and rubber products

Titeflex

smooth bore (PTFE) medium, high pressure and high performance hose, convoluted (PTFE) a chlorine/bromine hose

World Wide Fittings

JIC and SAE steel tube and pipe fitting components

Additional Suppliers:

- Adaptall • Air-mite • Alemite
- Allied Witan • Band-it • Behringer
- Coilhose Pneumatics
- Faster • Flexaust
- Flexible Technologies/Duravent
- Generant • Jomar
- Kongsburg Automotive (Teleflex)
- Lance • Lexair • Loc-Line
- Norgren/KIP • Pressure Connections
- Super Swivels • Texcel • Tompkins

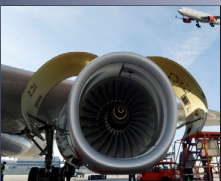

VALUE ADDED SERVICES

- Custom Hose Fabrication
- Custom Kitting and Tagging
- Customized Customer Part Numbers
- Dedicated Customer Inventories
- Barcoding Technology
- VMI (Vendor Managed Inventories)
- On-site Application Assistance
- Hose Pressure Testing (Up to 20,000 psi)
- Custom Fabrication, Machining, Brazing & Welding of Pipe, Hose, Tube & Fittings

Both our Bloomfield & Milford locations are authorized Eaton | Aeroquip Hose Centers.

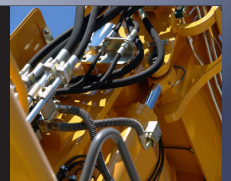

Our hose centers are a one-stop shop for all your hose and fitting needs. We carry high quality product to get you back up and running fast!
