VISIT US AT WWW.FAXONENGINEERING.COM

Automation Product Lines

www.afag.com

feeding, handling, and indexing systems; pneumatic linear actuators, electric linear actuators, pneumatic rotary grippers, pneumatic/electric rotary gripper, feeding (bowl & flip) rotary actuators

A Division of Alkon Corp

www.allenair.com

stainless steel cylinders, linear pumps & dispensers, rotary index tables, air & hydraulic cylinders, valves, and pumps

www.amacoil.com

rolling ring traversing drive units, and positioning linear drive nuts

Automation Redefined™

www.bell-everman.com

rotary positioning, linear positioning, actuators, and vacuum rated systems

www.bwc.com

DUAL VEE precision linear guide wheels, track, rings, segments, straight, and curve slides ; belt, screw, and chain driven linear actuators

www.c3controls.com

electronics for industrial control, motor control, disconnect switches, push buttons, circuit breakers, terminal blocks, stack lights, relays, and starters

www.us.automation.camozzi.com

miniaturized solenoid valves, PWM and PCM controls, separating diaphragms, latch systems, and integrated sensors

www.chambrelan.com

www.chambrelan.com

industrial heavy duty telescoping drawer slides; partial extension, total extension and over extension slides available in steel, stainless steel and aluminum

www.centryco.com

bellows, pleated covers, way covers, century steel spring covers; roller blind covers / custom bellows

www.fath24.com

hinges, handles, quarter turns and gasketing for cabinets and industrial enclosures

WORKING WELL UNDER PRESSURE SINCE 1946

www.kurodajenatec.com

rolled, precision rolled, precision ground and whirled ball screws; large range of diameters (metric/inch) and ball nut configurations; SBC linear rails and blocks, sizes 9mm - 65mm

www.linmot-usa.com

tubular linear motors, actuators, and linear/rotary actuators in standard and IP69K washdown versions

www.leelinear.com

inch/metric precision ground shafting, shaft supports, end blocks, linear ball bearings, plain bearings, pillow blocks and roller pillow blocks

www.minimotor.com

gear motors, brushless gearmotors for food, beverage & pharmaceutical, and industrial gearbox's

www.nanotec.com

smart servo motors, servo and stepper controllers/drives, stepper and BLDC motors, encoders, and linear actuator motors; gear boxes and brakes

www.nordex.com

precision gears, pulleys, timing belts, gearboxes, and mechanical components; high-level sub-assemblies / assemblies to customer specs

www.parker.com

pneumatic grippers, slide tables, rotary tables, escapements, air & hydraulic cylinders, and valves

www.pbclinear.com

linear bearings and rails, patented linear guide systems, linear actuator technology, and specially designed SIMO® extrusion process

www.pizzato.com

position switches, microswitches, safety devices, safety modules, foot switches, control & signaling devices, and devices for elevators

www.posital.com

sensors for motion control systems & industrial automation markets, rotary encoders, inclinometers, linear position sensors and a large variety of accessories

www.smithbearing.com

inch/metric cam followers (needle rollers) and load rollers in steel and stainless-steel options for corrosive environments

ADDITIONAL SUPPLIERS:

- Jefferson Solenoid Valve
- Jomar Valve

For our full line of products, please visit us at www.faxonengineering.com
